Introduction to ZPHS Malicherla

A center of learning, established to serve Sunkaripeta and neighboring rural communities, now transformed into a state-of-the-art model school.

Established in 2005 1966

Zilla Parishad High School, Malicherla, was established on February 2005 in the Vizianagaram Mandalam region of Andhra Pradesh. The school was chosen under the Central Government's model school network (PM SHRI Scheme) to implement modern vocational learning, digitized mathematics software, and robust sports education.

Computer logic, with practical, hands-on scientific models, preparing rural students for successful careers.

Our Vision

To serve as a national model secondary school of excellence, showcasing how green agricultural skills and computational systems can merge to educate well-rounded, responsible citizens.

Core Values

Fostering discipline, environmental awareness (recycling and organic farming), digital literacy, gender equality, and deep spiritual humility through the recitation of Sanskrit Slokas.

★ CENTRALLY SPONSORED SCHEME

PM SHRI Model School Selection

₹15,58,000

CHEMISTRY LAB

Creation of a state-of-the-art laboratory with advanced glass apparatus, reagents, safety desks, and instructional charts.

₹5,00,000

PLAY FIELD COURT

Development of marked clay volleyball, athletics, and badminton courts for physical training meets.

₹1,50,000

KITCHEN GARDEN

Installation of a fenced organic agricultural field, teaching kids composting, soil testing, and grow-bag farming.

₹1,00,000

COMPOSITE GRANT

Allocations to procure digital software, classroom teaching aids, and administrative resources.

📌 SCHOOL INNOVATIONS

Academic & Environmental Innovations

Jannavalasa
ZP High School Malicherla implements a series of structural innovations designed to reduce rote learning and foster practical skills.

No Bag Day

Designated days where students leave text books behind, focusing on craft, science poster boards, and assembly debates.

Agro Grow Bags

Promoting recycling by using empty rice bags as grow bags to cultivate brinjal, tomato, and mint plants on campus.

Organic Farming

Students operate the school kitchen garden, managing soil testing, layout marking, and weeding processes.

Low Cost TLM

Teachers design Low-Cost No-Cost Teaching Learning Materials to explain complex physics formulas and mathematical concepts.

🌱 GREEN CAMPUS INITIATIVES

Swachch Evam Haritha Vidyalaya

ZP High School ^{Jonnavaasa} Malicherla holds the Haritha Vidyalaya Puraskar for environmental conservation. The campus implements multiple sustainable projects managed by the Eco Club.

Rainwater Harvesting

Pipes routing rooftop water to recharge wells across the campus.

Mid-Day Meal Support

Organic mint, brinjal, and greens harvested for healthy student meals.
